HANDS OFF MEDICAID

Instructions for use:

1. Print this page and cut out the black flag.
2. Place the flag in a prominent place, like a visible window in your home or vehicle (make sure you do not obstruct any windows or mirrors in a vehicle).
3. Take a picture and share it on social media, tagging our Congressmembers if possible. Use #HandsOffMedicaid and #HandsOffMedicaidKS so we can find and share your photo.
4. You can also wear a black ribbon on your clothes, wrist, hair, etc., to show continued support each day.
